## NEW ALBUM RELEASE AUGUST 2018 QUASI-STATIC

---

Following on from her debut album [Electrostatic](#), Caroline Mclavy has just released her second offering [Quasi-Static](#).

[Quasi-Static](#) is a collection of 8 Remixes each featuring a different artist at the controls. Included in the lineup are LorD and Master, Nature of Wires, Def Neon, Parralox, Real Experts, aka Baz, Arcane and Cutz.

Already causing a commotion at independent radio stations across the UK this album is not to be ignored. Catch up with Caroline at live shows throughout the rest of the year.
